BEVINGTON Hosts Environmental Press Conference with Northern Youth

Western Arctic MP Supports Power Shift Initiatives

OTTAWA – Following the call for action from the Northern Youth Leadership Conference on Climate Change in Inuvik (August 2009), Western Arctic MP Dennis Bevington is co-hosting a Press Conference with Northern delegates who are participating in PowerShift 2009 in Ottawa this week.

"Our Government must be accountable. We need rapid, sustained and effective legislation on a coordinated global and national standard to combat climate change," said Bevington at a Climate Justice Rally hosted in Yellowknife on Saturday.

Bevington will be joined by MPs from other political parties who will also be participating in Monday morning's Press Conference. The event will start at 10:30 am EST, 8:30 am Mountain Time.
