

Bevington Consulting Northerners re: JRP Announcement

Media Advisory  
January 4, 2010  
For Immediate Release

While the 40th Parliament has been prorogued for a second time, the MP for the Western Arctic will not be sitting idle. Dennis Bevington will visit seven communities this week, along the path of the \$16-billion, 1,200-kilometre proposed pipeline.

"I'm interested to hear what my constituents up and down the Mackenzie Valley are saying," said Bevington.

Environmental concerns are also expected to be discussed.
