July 12, 2011

Media Advisory

Western Arctic MP Dennis Bevington and his colleague Linda Duncan the MP for Edmonton Strathcona will be attending the 41st Dene National Assembly in Fort Providence this week.

"It's a great opportunity for Linda and I to meet with the Chiefs of Denendeh and to hear Northern Aboriginal concerns first hand," said Bevington.

Both Bevington and Duncan will be available for interviews in Fort Providence Wednesday and in Yellowknife for phone or in person interviews Thursday afternoon.
