

Friday May 6th, 2011

Dear friends and constituents.

I want to thank all of you who supported and encouraged me across the NWT and throughout Canada in this most exciting and historic election of 2011.

It has meant that my colleagues and I in the NDP will have a much stronger role in Parliament as the Official Opposition. With 102 MP's we will be able to provide a very effective voice to stand up to a majority Conservative Government.

Once again it will be an honour and privilege to represent the people of the NWT in our Parliament, and as your representative, my job will continue to have many components.

From affordability of northern living, to the need for public investment in transportation and communities, to protection and improvement of our public health care, to caring for the environment, our team in Ottawa and the north will be working hard for you and your families.

Have a great spring and summer, and once again

mahsi cho, quyanainni, merci bien, thank you.
